EC/Senegal fisheries agreement: fishing off the coast, extension of the protocol for the period from 2 October 1996 to 1th November 1996

1996/0287(CNS) - 15/07/1997 - Text adopted by Parliament, 1st reading/single reading

By adopting the report by Mrs Nicole PERY (PSE, F), the European Parliament approved retrospectively the extension for one month (2 October - 1 November 1996) of the fisheries agreement between the EU and Senegal. This extension will have enabled some Community vessels affected by the biological resting period in Mauritanian waters to fish off Senegal during that period.
