1995 International Grains Agreement: Grains Trade Convention and Food Aid Convention

1995/0115(CNS) - 10/10/1995 - Text adopted by Parliament, 1st reading/single reading

While criticizing the EU's programme of subsidies, which it claimed put pressure on the markets of those States benefitting from food aid, Parliament adopted the report by Mr Wolfgang KREISSL-D·RFLER (Greens, D) on the Grains Trade Convention and on the Food Aid Convention, which constituted the International Grains Agreement 1995. The proposal was approved without amendment.
