Common system of VAT Committee

1997/0186(CNS) - 17/09/1998 - Text adopted by Parliament, 1st reading/single reading

Adopting the report by Mr Werner LANGEN (PPE, D), the European Parliament called on the Commission, starting in 2000, to submit to the European Parliament an annual report on the work of the Value Added Tax Committee concerning initiatives and decisions taken and cases dealt with in the preceding year. The Commission was asked to state in the report whether it held representative consultations with the business world and, if so, what findings these consultations reached. Parliament also asked for the deadline for transposition of the Directive to be put back to 01 January 1999.
