EC/Mauritania fisheries agreement: cooperation agreement in the sea fisheries sector

1997/0158(CNS) - 06/11/1997 - Text adopted by Parliament, 1st reading/single reading

Adopting the report by Mr Josu Jon IMAZ SAN MIGUEL (PPE, E), the European Parliament approved the amendment to the agreement on cooperation in the fisheries sector concluded between the Community and Mauritania. However, it reiterated that the legal basis for the conclusion of the agreement called for the assent of the European Parliament. However, as the proposed changes did not have any "important budgetary implications", the assent procedure could be dispensed with in this case.
