Energy: international cooperation, multiannual programme SYNERGY 1998-2002

1997/0369(CNS) - 08/10/1998 - Text adopted by Parliament, 1st reading/single reading

In adopting the report by Mr André SOULIER (PPE, F), the European Parliament stressed the complementarity of the SYNERGY programme with other Community programmes, with a view to avoiding duplication of effort. It considered that the programme should receive around 18% of the total budget for the framework programme for energy each year.
