

Legal protection of databases

1992/0393(COD) - 14/12/1995 - Text adopted by Parliament, 2nd reading

In adopting the report by Mrs PALACIO VALLELERSUNDI (PPE, E), the European Parliament approved the common position of the Council with purely technical amendments. It also asked that where there was use of a database for purposes of illustration for teaching or scientific research, the source should always be indicated.
