Implementation of directive 96/59/EC on PCB /PCT

2000/2112(INI) - 17/01/2001 - Text adopted by Parliament, single reading

The European Parliament adopted the resolution, drafted by Mr David Robert BOWE (PES, UK), drawing attention to the failures of most Member States to respect another environmental directive, this time designed to reduce pollution from PBCs. (Procedure without debate). (Please refer to the decisions of the committee responsible).
