Road safety: maximum permitted blood alcohol level for vehicle drivers

1988/0511(COD) - 27/10/1999

The European Parliament does not confirm as its first reading under the codecision procedure the text adopted on 23.05.1989 on the proposal for a Council Directive relating to the maximum permitted blood alcohol concentration for vehicle drivers. It calls, therefore, on the Commission to withdraw the proposal and/or to replace it with a new proposal.
