Research: supplementary programme, Joint Research Centre JRC for the EAEC 2000-2003, Petten reactor

1999/0232(CNS) - 15/12/1999 - Text adopted by Parliament, 1st reading/single reading

The European Parliament approved this proposal for a decision (procedure without report). It did however, request that the report on the implementation of this decision that is to be presented by the Commission in April 2000 clarifies the decision-making relating to the supplementary research programmes of the JRC. All new amendments to the programme should respect the criteria laid down in the proposal, 3 months before the expiry date of the current programme in 2003.
