Fight against organised crime: financial support, programme for the prevention, Hippocrates

2000/0304(CNS) - 05/04/2001 - Text adopted by Parliament, 1st reading/single reading

The European Parliament voted to endorse the report by Mrs Margot KESSLER (PES, D) concerning a Commission proposal to establish a programme of incentives and exchanges, training and cooperation for the prevention of crime - Hippocrates. However, the Parliament is calling for the incorporation of this programme into a single framework programme which will also include the Grotius, Stop and Oisin programmes.
