

Tempus III: 3rd phase of the trans-European cooperation scheme for higher education, Mediterranean countries (2000-2006)

2002/0037(CNS) - 14/05/2002 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted a resolution drafted by Juan OJEDA SANZ (EPP-ED, Spain) on the Tempus III programme. (Please refer to the document dated 18/04/02.) With a view to fostering dialogue and cooperation among partner countries, the range of participants should extend beyond the traditional academic community to enable political leaders and civil society to play a role in the development of the programme. Funding for the programme, including its extension to the countries and territories covered by Regulation 1488/96/EC, ought to be drawn from the global financial allocations of the corresponding geographical programmes.
