

# **Telecommunications terminal equipment and satellite earth station equipment (consolidated text)**

1995/0309(COD) - 12/02/1998 - Final act

**OBJECTIVE:** codification of Directives 91/263/EEC and 93/97/EEC. **COMMUNITY MEASURE:** Directive 98/13/EC of the European Parliament and of the Council **SUBSTANCE:** The Directive concerns telecommunications terminal equipment and satellite earth station equipment, including the mutual recognition of their conformity. It consolidates in a single text Council Directives 91/263/EEC concerning telecommunications terminal equipment, including the mutual recognition of their conformity, and 93/97/EEC supplementing Directive 91/262/EEC in respect of satellite earth station equipment. The new directive will replace the two directives which it codifies. **ENTRY INTO FORCE:** 1/04/1998
