Northwest Atlantic Fisheries Organisation, NAFO: control measures of vessels of non-contracting parties

1999/0231(CNS) - 19/05/2000 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted its report drafted by Daniel VARELA SUANZES-CARPEGNA (EPP /ED, Spain) with a few amendments. The main amendment states that fishing vessels of the Contracting Parties which operate in the North-West Atlantic Fisheries Organisation (NAFO) Regulatory Area may record sightings, which can be reported to the inspection vessels so that the latter are able to proceed to a formal sighting.
