1999/0203(CNS) - 16/06/2000 - Text adopted by Parliament, 1st reading/single reading

By adopting the draft report, under consultation procedure, by MR. Maurizio Turco (TGI, It), the European Parliament accepts the proposal for a Council decision on the conclusion of an agreement between the European Community and Norway on the participation of Norway in the work of the European Monitoring Centre for Drugs and Drug Addiction. The report was amended in order to include clarification of the Centre's activities. It was stated that the Centre's operations should be relaunched by means of a comprehensive revision of Regulation 302/93/EEC on the establishment of a EUropean Monitoring Centre for Drugs and Drug Addiction in order to take account, inter alia, of the relevant opinions and resolutions of the European Parliament and the March 2000 evaluation report. With regard to the Management Board, it is stated that the rules governing it must be comprehensively revised in order to ensure that the Board plays an effective part in the performance of the main tasks assigned to it.
