Role of the European Union in the fight against terrorism

2001/2016(INI) - 05/09/2001 - Text adopted by Parliament, single reading

The European Parliament approved the recommendation by Mr Graham WATSON (ELDR, UK) which requests Council to implement a European arrest and warrant scheme for serious crimes such as terrorism, illegal trafficking in drugs and arms, corruption, fraud and trafficking in human beings, as well as crimes against children.
