The European Parliament adopted its resolution drafted by Gianfranco DELL'ALBA (Ind, It) on the amendments to the constituent acts of the European Aviation Safety Agency following the adoption of the new Financial Regulation. (Please refer to the document dated 02/10/02.) Parliament inserted some further amendments of note into the act: -before taking any decision which has financial implications and which may have an impact on the amount of the Community subsidy, the management will notify the Commission and the budgetary authority. If neither arm of the budgetary authority has raised any objection within six weeks, the management board will adopt the final decision; -the Executive Director may delegate his powers of budget implementation to Agency staff under certain conditions; -administrative, preparatory or ancillary tasks involving neither the exercise of public authority nor the use of discretionary powers of judgement may be entrusted to the private sector; -this Regulation will not come into effect until a decision has been taken on a definitive seat for the Agency.
