

Combating terrorism: specific restrictive measures against certain persons and entities

2001/0228(CNS) - 13/12/2001 - Text adopted by Parliament, 1st reading/single reading

The European Parliament approved this proposal under a reconsultation procedure with the recommendation that the Annex listing the actual groups or persons should be drawn up on the basis of a proposal by the Commission or a Member State and that Parliament should deliver its opinion. The list should then be published in the Official Journal. MEPs want to see a sunset clause, with the regulation expiring at the end of December 2003.
