Animal health conditions: imports from third countries of fresh poultry meat (amend. direct. 91 /494/EEC)

1995/0269(CNS) - 15/11/1999 - Final act

PURPOSE : to revise Directive 91/494/EEC on the veterinary rules governing intra-Community trade and third country imports of fresh poultry products, in light of the application of harmonized standards for vaccines against Newcastle disease. COMMUNITY MEASURE : Council Directive 1999/89/EC amending Directive 91/494/EEC on animal health conditions governing intra-Community trade in and imports from third countries of fresh poultry meat. CONTENT : this Direcive concerns the veterinary guarantees which apply to trade in poultry products from a Community area practising vaccinations against Newcastle disease to areas where a status of non-vaccination applies (Denmark, Ireland, Northern Ireland, Finland and Sweden. In addition, the Directive simplifies the veterinary health rules which apply, this simplification having been made possible by the application of harmonized standards for vaccines. ENTRY INTO FORCE : 23/11/1999. DEADLINE FIXED FOR THE TRANSPOSITION : 01/07/2000.
