2004 enlargement: adjustment of financial perspective for 2004-2006

2003/2025(ACI) - 19/05/2003 - Implementing legislative act

COMMUNITY MEASURE : Decision 2003/430/EC of the European Parliament and of the Council on on the revision of the financial perspective. CONTENT : this Decision supplements Decision 2003/0429/EC of the European parliament and of the Council (please refer to the Council Decision) and aims to provide an increase in the ceilings of Heading 3 (internal policies) of the Community budget. The annual ceilings for appropriations for commitments in heading 3 (internal policies) of the financial perspective, as adjusted under point 25 of the Interinstitutional Agreement of 6 May 1999, shall be raised by the following amounts, expressed in millions of euro in 1999 prices: - an increase of EUR 50 million for the year 2004; - an increase of EUR 190 million for the year 2005; - an increase of EUR 240 million for the year 2006. In addition, the Decision includes the declaration concerning Article 32 and Annex XV of the Accession Treaty which joins the Council and the other Community institutions together with a view to respecting the Interinstitutional Agreement of 6 May 1999 on budgetary discipline and improvement of the budgetary procedure.
