EU/Industrialised non-member country relations: bilateral cooperation and trade relations, extension to the 31 December 2007 and budgetary provisions

2004/0288(CNS) - 23/05/2005

The committee adopted the report by David MARTIN (PES , UK) broadly approving the proposal under the consultation procedure, subject to two amendments:

- the Gateway to Japan programme and the Executive Training Programme had been so successful that similar programmes should be envisaged in the future with other countries, such as China;

- a coordinator should be re-introduced for the different EU Centres.
