Animal protection: implementation by the Community of the agreement on international humane trapping standards

2004/0183(COD) - 11/10/2005

The committee adopted the report by Karin SCHEELE (PES, AT) rejecting the proposal under the 1st reading of the codecision procedure. MEPs argued that the draft directive was 'very unsatisfactory' and difficult to improve by means of amendments. They added that the text lacked any proper scientific basis.
