EC/South Africa agreement: additional protocol to the Agreement on trade, development and cooperation following the 2004 enlargement of the Union

2005/0152(AVC) - 20/10/2005 - Legislative proposal

This document constitutes the definitive additional protocol to the Agreement on Trade, Development and Cooperation between the European Union and South Africa taking into account the accession of the ten new Member States.

It should be noted that this text is basically identical to that of the initial proposal (please refer to summary of 12/08/2005).
