

Community Code on the rules governing the movement of persons across borders (Schengen Borders Code)

2004/0127(COD) - 21/02/2006

The Council adopted a Regulation establishing rules on border control of persons crossing the EU external borders and providing for the absence of border control of persons crossing internal borders between the Member States. However, it should be noted that the Hungarian delegation voted against, the Slovenian delegation abstained.
