# Europol: adjusting the basic salaries and allowances applicable to staff for the period between 1 July 2005 and 1 July 2006. Initiative Austria

2006/0803(CNS) - 27/02/2006 - Legislative proposal

PURPOSE: to adjust the basic salaries and allowances of the Europol Staff.

PROPOSED ACT: Council Decision.

CONTENT: based on an Austrian initiative, this draft Decision intends to adjust the basic salaries and allowances of the Europol staff in light of a review carried out by the Management Board. The Board took account of the changes in the cost of living in the Netherlands, as well as of the changes in salaries in the public service in the Member States.

That review justifies an increase of 1,6% of remuneration for the period between 01.07.2005 and the 01.07.2006.

A table is included showing the adjusted basic monthly salaries of all levels and grades of staff.

This Decision should be adopted unanimously.
