

Resolution on the confrontation between Iran and the international community

2006/2512(RSP) - 10/04/2006

The Council adopted conclusions welcoming the UN Security Council Presidential Statement of 29 March, which reinforced the role of the IAEA and called upon Iran to take the steps required by the IAEA Board of Governors, which are essential to build confidence in the exclusively peaceful purpose of its nuclear programme.

The Council remains committed to a diplomatic solution. It calls on Iran to comply with the UN Security Council Presidential Statement and implement all IAEA Board resolutions in full and to suspend all enrichment-related and reprocessing activities, including research and development, to allow a return to negotiations.

The Council underlines its continued concerns about the human rights situation in Iran, in particular regarding the situation of Bahá'ís and other religious minorities as well as of human rights defenders, including Mr. Akbar Ganji and Mr. Abdolfattah Soltani.
