

Batteries and accumulators and waste batteries and accumulators

2003/0282(COD) - 25/04/2006

The Council decided not to approve the European Parliament's second reading amendments to a proposal for a Directive on batteries and accumulators and waste batteries and accumulators and repealing Directive 91/157/EEC.

The Council accordingly decided to convene the Parliament-Council conciliation committee with a view to negotiating a joint text.
