Water management: quality required of shellfish waters (repeal. Directive 79/923/EEC). Codification

2006/0067(COD) - 12/09/2006

The committee adopted the report by its chairman, Giuseppe GARGANI (EPP-ED, IT), approving unamended (under the codecision procedure) the codified version of the proposed directive on the quality required of shellfish waters.
