Driving licences: issue, validity, renewal (repeal. Directive 91/439/EEC). Recast

2003/0252(COD) - 22/11/2006

The committee adopted the report by Mathieu GROSCH (EPP-ED, BE) approving - under the 2nd reading of the codecision procedure - the Council's common position on the proposed directive on driving licences. The committee tabled a few technical amendments designed to bring the proposal into line with the new comitology rules relating to the regulatory procedure.
