

Addition of vitamins and minerals and of certain other substances to foods: Commission implementing powers

2006/0193(COD) - 21/11/2006

The committee adopted the report by Karin SCHEELE (PES, AT) approving the proposal amending the new regulation on the addition of vitamins and minerals and of certain other substances to foods. The proposal was aimed at introducing into the regulation the new regulatory procedure with scrutiny that is now applicable for the exercise of implementing powers. The committee adopted a few technical amendments under the 1st reading of the codecision procedure.
