Car industry: approval of partitioning systems to protect passengers against displaced luggage, supplied as non original equipment, UN/ECE Regulation

2006/0035(AVC) - 18/12/2006

The committee adopted the report by its chairman, Enrique BARÓN CRESPO (PES, ES), recommending that Parliament give its assent to the draft Council decision on the position of the Community in relation to the draft Regulation of the United Nations Economic Commission for Europe concerning the approval of partitioning systems to protect passengers against displaced luggage, supplied as nonoriginal vehicle equipment.
