

Prevention, control and eradication of certain transmissible spongiform encephalopathies (TSEs)

2004/0270B(COD) - 12/12/2006 - Text adopted by Parliament, 2nd reading

The European Parliament adopted a resolution drafted by Dagmar **ROTH-BEHRENDT** (PES, DE) approving the Council's common position on the amendment of Regulation 999/2001/EC laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies.
