Registration, evaluation, authorisation and restriction of chemicals (REACH); European Chemicals Agency

2003/0256(COD) - 15/12/2006 - Commission opinion on Parliament's position at 2nd reading

On 13 December 2006, the European Parliament adopted a compromise package which had been agreed with the Council in view of reaching a second reading agreement. The Commission accepts in full amendment 191 which constitutes the compromise package.
