Community trade mark. Codification

2006/0267(CNS) - 19/12/2006 - Legislative proposal

PURPOSE: codification of legislation concerning the Community trade mark.

PROPOSED ACT: Council Regulation.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation 40/94/EC of 20 December 1993 on the Community trade mark. The new Regulation will supersede the various acts incorporated in it; this proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.
