Textile names (consolidation)

1994/0005(COD) - 16/12/1996 - Final act

OBJECTIVE: to codify, with a view to greater clarity and logic, Council Directive 71/307/EEC on the approximation of the Member States' laws on the designation of textiles, a directive which has been substantially amended on several occasions. COMMUNITY MEASURE: European Parliament and Council Directive 96/74/EC on the designation of textiles. CONTENT: the new directive replaces the various directives which were the subject of the codification operation; it makes no changes at all to the codified texts, restricting itself to reorganizing them and making the formal changes required by the codification operation. ENTRY INTO FORCE: 23/02/1997

Textile names (consolidation)

1994/0005(COD) - 18/06/1996 - Text adopted by Parliament, 2nd reading

Parliament approved the common position. The Council was urged in line with its common position, to adopt the act definitively as soon as possible.

Textile names (consolidation)

1994/0005(COD) - 24/01/1994 - Legislative proposal

The aim of the present Commission proposal was the legislative consolidation of Council Directive 71/307/EEC on the approximation of the laws of the Member States relating to textile names. The new directive was to replace the various directives which were the subject of this consolidation process; it would fully respect the substance of the consolidated instruments and would be confined to a compilation of the provisions contained in those instruments, together with the formal amendments required by the consolidation process.

Textile names (consolidation)

1994/0005(COD) - 26/02/1996

The Council agreed to common position. The common position will be forwarded to the European Parliament under the co-decision procedure (Article 189b of the Treaty).

Textile names (consolidation)

1994/0005(COD) - 26/02/1996 - Council position

Since this is purely and simply a matter of codifying the existing texts on the designation of textiles, the Council common position makes no substantive changes to the Commission proposal. The codification entails a change in the legal base from Article 100 TEU to Article 100a.
