Import levies on mixtures of cereals, rice and broken rice

1994/0040(CNS) - 31/01/1994 - Legislative proposal

1994/95 AGRICULTURAL PRICES: It was proposed to continue to apply until 31 August 1995 the provision which, under Council Regulation (EEC) No 2046/92 laying down general rules for distillation operations involving wine and the by-products of wine-making, allowed associations of producers to be treated in the same way as producers in compulsory distillation contracts. The Commission would then submit a report to the Council on the operation of this measure.
