Agricultural prices 1994/1995: minimum price for unginned cotton

1994/0904(CNS) - 31/01/1994 - Legislative proposal

1994/95 AGRICULTURAL PRICES: It was proposed to keep the intervention price for paddy rice at the same level as the previous marketing year, in other words at the level fixed by Commission Regulation (EEC) No 1896/93 (ECU 309.60/t), following the currency realignments that had occurred. The target price would also stay at its previous level of ECU 530.60/t, since the transport costs involved in the calculation had not changed.
