Parliament approved the Commission proposal (procedure without report).

EEA Agreement: amendment to the Court of Justice's Statute and the Rules of procedure

1994/0917(CNS) - 19/07/1994 - Legislative proposal

The amendments were limited to the adjustments needed to follow on from the two statements by the European Community attached to the agreement. They related to the rights of EFTA states before the Court of Justice and the rights of lawyers from EFTA states under Community law. The adjustments were also necessary to lay down the procedure that applied with regard to individual actions that were brought before the Court as provided for by the agreement.
