Regulation 1996/0788
OJ L 108 01.05.1996, p. 0001 Summary

Submission by Member States of statistics on aquaculture production

1995/0231(CNS) - 22/04/1996 - Final act

OBJECTIVE: to make formal arrangements for the submission to the Commission of statistical data on aquaculture production using harmonized definitions. COMMUNITY MEASURE: Council Regulation (EC) No 788/96 on the submission by Member States of statistics on aquaculture production. SUBSTANCE: Each Member State shall submit annually to the Commission statistics on the aquaculture production in all waters of that Member State; the data shall be forwarded within nine months of the end of the calendar year to which they refer; - the data may be submitted on magnetic medium, the format of such submission being agreed between the Member State and the Commission; - the Member State may use sample surveys or other relevant sources; a Member State having a total annual production of less than 1000 tonnes may submit estimates for the total production; - the Commission may fix a transitional period up to a maximum of three years during which the full implementation of the regulation is to be achieved. During this transitional period, temporary derogations exempting a Member State from provisions of this regulation may be accorded; such derogations shall be for a maximum of three years but may be extended by further three year periods. ENTRY INTO FORCE: 2 May 1996. The Regulation shall apply from 1 January 1996.

Submission by Member States of statistics on aquaculture production

1995/0231(CNS) - 27/03/1996 - Text adopted by Parliament, 1st reading/single reading

By adopting the report by Mr James L.C. Provan (PPE, UK), Parliament approved the Commission proposal to improve the standard of aquaculture production statistics and made five technical amendments intended to clarify the text.

Submission by Member States of statistics on aquaculture production

1995/0231(CNS) - 20/09/1995 - Legislative proposal

OBJECTIVE: the regulation proposes to make formal arrangements for the submission to the Commission of statistical data on aquaculture production using harmonised definitions. SUBSTANCE: - Each Member State shall submit annually to the Commission statistics on the aquaculture production in all waters of that Member State; the data shall be forwarded within nine months of the end of the calendar year to which they refer; - The data may be submitted on magnetic medium, the format of such submission being agreed between the Member State and the Commission; - The Member State may use sample surveys or other relevant sources; a Member State having a total annual production of less than 1 000 tonnes may submit estimates for its total production; - The Commission may fix a transitional period up to a maximum of three years during which the full implementation of the regulation is to be achieved. During this transitional period, temporary derogations exempting a Member State from provisions of this regulation may be accorded; such derogations shall be for a maximum of three years but may be extended by further three-year periods.
