Final act

Directive 2002/0053
OJ L 193 20.07.2002, p. 0001-0011 Summary

Agricultural plant species: common catalogue of varieties (codif. direct. 70 /457/EEC)

1995/0322(CNS) - 11/12/1995 - Legislative proposal

OBJECTIVE : the proposed consolidated version of Council Directive 70/457/EEC of 29 September 1970 on the common catalogue of varieties of agricultural plant species forms part of a much larger programme of consolidation of the provisions on seeds and propagating material for agriculture, horticulture and forestry. It aims at legislative consolidation. The existing directives will be replaced by one new one which will leave their substance untouched but will assemble them into a single text, with only the formal amendments required by the operation itself. This codified text will serve as a basis for future legislative developments in this field.

Agricultural plant species: common catalogue of varieties (codif. direct. 70 /457/EEC)

1995/0322(CNS) - 28/06/2001 - Amended legislative proposal for reconsultation

Taking into consideration the legislative amendments which have been introduced to Directive 70/457/EEC since the initial proposal and the amended proposal for codification of the Commission from 1998 as well as the results of the work which took place within the Council, the Commission has decided to present a second amended proposal for codification of the Directive in question.

1995/0322(CNS) - 28/02/1996 - Economic and Social Committee: opinion, report

The Committee approves the Commission proposals.

Agricultural plant species: common catalogue of varieties (codif. direct. 70 /457/EEC)

1995/0322(CNS) - 13/06/2002 - Final act

PURPOSE : to consolidate Directive 70/457/EEC on the marketing of agricultural plant species. COMMUNITY MEASURE : Council Directive 2002/53 /EC on the marketing of agricultural plant species. CONTENT : for reasons of clarity and rationality, this Directive aims to consolidate Directive 70/457 /EEC, modified on several occasions since its adoption. The new directive replaces the various directives which are the subject of the codification procedure. It respects the substance of the codified texts completely and is restricted to gathering them in a single text while making only formal amendments required by the procedure of codification. ENTRY INTO FORCE : 9 August, 2002.

Agricultural plant species: common catalogue of varieties (codif. direct. 70 /457/EEC)

1995/0322(CNS) - 29/07/1998 - Modified legislative proposal

This amended proposal aims to take account of the outcome of work already carried out in the Council on the proposal for a directive to codify Directive 70/457/EEC on the common catalogue of varieties of agricultural plant species. This amended proposal also takes account of amendments purely of form or wording by the Consultative Working Party of Legal Services set up under the Interinstitutional Agreement of 20 December 1994 on an accelerated working method for official consolidation of legislative texts, where these are considered justified.
