Final act

Regulation 1996/2320
OJ L 316 05.12.1996, p. 0001 Summary

Special system of assistance to traditional ACP suppliers of bananas: continuation

1996/0028(SYN) - 28/11/1996 - Final act

OBJECTIVE: the postponement of the date of expiry of Regulation 2686/94/EC from 28 February 1996 to 31 December 1996. COMMUNITY MEASURE: Council Regulation 2320/96/EC continuing a special system of assistance to traditional ACP suppliers of bananas established by Regulation 2686/94/EC. SUBSTANCE: Regulation 2686/94/EC is extended until 31 December 1996 in place of 28 February 1996. This requires that the income support is calculated each year for the preceding year on the basis of figures published by Eurostat in the second quarter of each year. This deadline is thus too short in 1996 given the initial expiry date of the regulation. Thus with the adoption of this regulation a reasonable period is created to allow the drawing up and submission of projects to the Commission under this regulation. At the same time the new regulation does not simply extend the date of expiry of Regulation 2686/94/EC but also submits a consolidated text for reasons of legal coherence. Apart from its period of validity the new regulation is, however, identical to Regulation 2686/94/EC which has expired. ENTRY INTO FORCE: 05.12.1996 APPLICABLE: 29.02.1996 to 31.12.1996

Special system of assistance to traditional ACP suppliers of bananas: continuation

1996/0028(SYN) - 24/09/1996 - Council position

The common position reproduces the content of the Commission's proposal, the purpose of which is to extend the expiry date of Regulation 2686/94 /EEC retroactively from 29 February 1996 to 31 December 1996. However, the Council has modified the proposal for the simple reason that it is not legally possible to prolong a regulation that has already expired, as would have been the case with the present regulation. The Council has therefore decided to adopt a new regulation with the same text as the expired regulation except for the changed dates of application.

Special system of assistance to traditional ACP suppliers of bananas: continuation

1996/0028(SYN) - 15/10/1996 - Commission communication on Council's position

The Commission unreservedly supported the Council's common position.

Special system of assistance to traditional ACP suppliers of bananas: continuation

1996/0028(SYN) - 01/02/1996 - Legislative proposal

OBJECTIVE: to extend the expiry date of Regulation EC No 2686/94 from 28 February to 31 December 1996. SUBSTANCE: application of Regulation No 2686/94/EC is extended for two reasons. . The regulation requires that income support be calculated each year for the previous year using statistics published by the Statistical Office of the European Communities and that income support be complementary to transfers under the export earnings stabilization system (Stabex). These statistics are not available until the second quarter of each year. . To allow a reasonable length of time for projects

submitted under the regulation for technical and financial assistance to be prepared and considered for approval by the Commission. The amendment has no additional budgetary implications.
