Producer groups and associations thereof (consolidation)

1996/0046(CNS) - 24/04/1996 - Economic and Social Committee: opinion, report

The Committee approves the Commission proposals.

Producer groups and associations thereof (consolidation)

1996/0046(CNS) - 13/05/1997 - Text adopted by Parliament, 1st reading/single reading

In adopting the report by Mrs Encarnacion REDONDO JIMENEZ (PPE, E), the European Parliament approved the three proposals aiming to consolidate the Council regulations based on objective 5a of the structural funds on improving the efficiency of agricultural structures, on improving the processing and marketing conditions for agricultural products and on producer groups and associations thereof. However, the European Parliament notes that the Commission proposals go beyond mere consolidation and constitute a recasting of the provisions concerned. It therefore calls for: - the definition of 'direct sale of products of the farm' to be improved; - the saving of water to be included as well as energy among the conditions of eligibility for investment aid for farm improvements; - aid for improving living and working conditions to be confined to subsidies for aspects directly related to activities carried out on the farm; - for 'mountain-breeds' to be exempt from the refusal to grant aid to pig-farming.

Producer groups and associations thereof (consolidation)

1996/0046(CNS) - 26/02/1996 - Legislative proposal

OBJECTIVE: Consolidation of Objective 5(a) of the structural funds on the adjustment of agricultural structures throughout the Community. A clear presentation of the rules governing agricultural structures will enable potential beneficiaries to check the usefulness and relevance of the available opportunities with a view to making an application and following through to implementation. SUBSTANCE: the proposal for consolidation comprises the updating of Regulation (EEC) No 2328/91 on producer groups and associations thereof by incorporating its successive amendments and by introducing certain elements of simplification and clarity. The proposal does not entail any substantive changes to the regulation to be consolidated.

Producer groups and associations thereof (consolidation)

1996/0046(CNS) - 20/05/1997 - Final act
