Decision 2000/0069
OJ L 010 14.01.2000, p. 0003 Summary

Youth: including Turkey among the beneficiary countries of the 3rd phase of the "Youth for Europe" programme

1996/0131(COD) - 12/07/1999 - Council position

The Council's common position took up the majority of the amendments approved by the European Parliament in its first reading. These relate to : - the accession of Turkey to the third phase of the Youth for Europe programme (2000-2004) according to procedures yet to be agreed, - the strengthening of links between young people in the Community and in Turkey and staff accompanying them while respecting their linguistic, educational and cultural diversity and the rights of minorities, - informing the Parliament on the various measures taken to implement this participation. The Council did not take up the Parliament's formulation of 'bearing in mind the need to ensure fair representation of minorities' because it felt that it might convey the idea of specific quotas.

Youth: including Turkey among the beneficiary countries of the 3rd phase of the "Youth for Europe" programme

1996/0131(COD) - 13/05/1996 - Legislative proposal

OBJECTIVE: to enable Turkey to take part in the Youth for Europe III programme. CONTENT: amendment of Parliament and Council Decision No 818 /95 relating to the Youth for Europe III programme to include Turkey among the beneficiary countries. Turkey's participation will enable young Turks and Europeans to establish closer links and will help to strengthen democracy and respect for human rights in that country. Turkey's financial contribution will be made either by means of a direct contribution or by using funds earmarked for EC-Turkey financial cooperation (or a combination of the two).

Youth: including Turkey among the beneficiary countries of the 3rd phase of the "Youth for Europe" programme

1996/0131(COD) - 28/10/1999 - Text adopted by Parliament, 2nd reading

The Parliament adopted its second reading of the proposal without amendment (the rapporteur was Mr. Giuseppe GARGANI, EPP, I).

Youth: including Turkey among the beneficiary countries of the 3rd phase of the "Youth for Europe" programme

1996/0131(COD) - 20/03/1997 - Economic and Social Committee: opinion, report

The ESC, on the basis of its Information Report on EU-Turkey relations (1992), and in keeping with the spirit of the ensuing own-initiative opinion (1993), and the work carried out by the EU-Turkey Joint Consultative Committee (established 1995), believes that education and training are areas in which the benefits to be derived from exchanges with third-country cultures and peoples clearly outweigh any economic or political considerations. In numerous opinions on EU external relations, the ESC has stated that EU socio-occupational organizations consider third country cooperation on culture and training as a priority. The ESC endorses the proposal.

1996/0131(COD) - 13/12/1999 - Final act

PURPOSE : to allow Turkey to participate in the 'Youth for Europe' programme. COMMUNITY MEASURE : Decision 69/2000/EC of the European Parliament and of the Council amending the basic Decision relating to the third phase of the 'Youth for Europe' programme so as to include Turkey among the beneficiary countries. CONTENT : this Decision amends Decision 818/95/EC of the European Parliament and of the Council relating to the third phase of the 'Youth for Europe' programme in order to open the programme up to the participation of Turkey. In addition, this Decision concerns full or partial participation at the earliest possible date by Turkey in the 'Youth for Europe' programme in its current form, to the extent permitted by negotiations, as well as the launch of preparatory measures or measures to increase awareness with a view to such participation or to that provided for under the future framework programme (2000 to 2004). The purpose of the participation of Turkey in this programme is to enable genuine exchanges to take place between young people from both sides and the staff accompanying them, while respecting their linguistic, educational and cultural diversity . The European Parliament shall be kept informed of the various measures taken to implement this Decision. ENTRY INTO FORCE : 14.01.2000.

Youth: including Turkey among the beneficiary countries of the 3rd phase of the "Youth for Europe" programme

1996/0131(COD) - 25/02/1999 - Text adopted by Parliament, 1st reading/single reading

The Parliament approved the Commission's proposal subject to some amendments. Parliament's opinion was drafted by Ms. Renate Heinisch, (EPP, Germany). The Decision concerns the participation by Turkey in the Youth for Europe programme and would make it possible to launch preparatory measures and measures to increase awareness with a view to full participation under the current programme or under the future framework programme (2000-2004) which is currently being drawn up. There is an amendment which states that the purpose of such participation is to enable genuine exchanges to take place between young people from both sides and the staff accompanying them, while respecting their linguistic, educational and cultural diversity, as provided for in Article 126(1) of the Treaty, and bearing in mind the need to ensure fair representation of minorities. The Parliament also approved an amendment requiring it to be kept informed about the various measures taken to implement this Decision.

1996/0131(COD) - 16/07/1999 - Commission communication on Council's position

The Commission agrees with the Council's common position, including the amendment regarding the respect for the rights of minorities. The Commission, like the Council, is of the opinion that respect for minority rights should serve as a guiding principle for the selection of participants without giving to understand that any form of quota is required.
