Regulation 1997/1419 OJ L 196 24.07.1997, p. 0013 Summary

Agricultural prices 1997/1998: sparkling wines and liqueur wines produced in the Community

1997/0100(CNS) - 28/05/1997

The ESC feels that the monthly increases under the intervention system should be frozen at current levels, rather than decreased. It firmly rejects the proposal to use the Guarantee Fund to finance BSE measures. The ESC considers the reasoning behind the reductions in the flax and hemp sector to be irrelevant, and thus rejects the reductions. The Committee highlights the serious crisis in the rice sector, and calls for the monthly increases to be left unchanged. It calls on the Commission to provide an analysis of the impact of current and future price packages on consumer prices, food quality, health, the environment and rural communities. The ESC calls for an analysis of the employment impact of income trends and of future proposals.
