OBJECTIVE: to subject establishments producing nutritional supplements for animals, and their intermediaries, to the same rules as those established under Directive 95/69/EC for the approval of establishments manufacturing pre-mixed products. Animal feed sector: approbation and registration of establishments and intermediaries

1997/0213(COD) - 16/09/1999

The European Parliament confirmed its first reading in the context of the codecision procedure of the text it adopted on 19.02.1998 concerning this proposal for a directive.

Animal feed sector: approbation and registration of establishments and intermediaries

1997/0213(COD) - 19/02/1998 - Text adopted by Parliament, 1st reading/single reading

In adopting the report by Mrs Anne-Christine POISSON (UPE, F), the European Parliament endorsed, with a number of modifications, the proposal for a directive seeking to amend the 1995 directive laying down arrangements for approving and registering certain establishments in the animal feed sector. The rapporteur expressed a number of reservations concerning proposals for the registration of users, arguing that the procedure is too cumbersome without providing an improved guarantee.

Animal feed sector: approbation and registration of establishments and intermediaries

1997/0213(COD) - 27/07/1998 - Modified legislative proposal

The amended proposal takes into account the three amendments sought by Parliament, which aimed to simplify the administrative procedure as regards registering stock farmers using nutritional supplements for animals.
