Decentralised Community agencies: European monitoring centre on racism and xenophobia

1997/0262(CNS) - 06/10/1997 - Legislative proposal

OBJECTIVE: to amend Regulation 1035/97/EC establishing a European Monitoring Centre on Racism and Xenophobia in order to modify the basic regulations governing the financial control of this agency. CONTENT: the proposed amendments apply solely to the power of discharge : the Monitoring Centre is mainly funded by EU subsidy and it is therefore proposed that the power of discharge be granted to the European Parliament on the recommendation of the directors of the Monitoring Centre.

Decentralised Community agencies: European monitoring centre on racism and xenophobia

1997/0262(CNS) - 10/03/1998 - Text adopted by Parliament, 1st reading/single reading

In adopting the report by Mr Edward T. KELLETT-BOWMAN (PPE, UK) on the amendments to to the basic regulation on the European Monitoring Centre on Racism and Xenophobia, Parliament welcomed the Commission proposal, which addressed issues of long-standing concern to Parliament with regard to the discharge and financial control of the decentralized bodies. However, Parliament called for: -all of the Centre's revenue to be budgetized and regarded as preallocated resources of the European Union, -the Centre to be able to constitute a reserve to cover future expenditure; surplus revenue was to be paid back into the general budget of the Union, -the entering of amounts in the reserve in the Centre's budget and their withdrawal from it to be subject to the agreement of the Commission, which should first consult Parliament, -the Commission to evaluate the level of the fees received by the Centre after three years. It also recalled that it was a prerequisite to involve Parliament in the discharge procedure.

1997/0262(CNS) - 30/04/1998 - Modified legislative proposal

In its amended proposal the Commission supported Parliament's amendments concerning the involvement of Parliament in the discharge procedure. However, the Commission did not take over the amendments on the own resources of this agency or those on any surplus revenue reverting to the Community budget.
