Health problems affecting intra-Community trade in bovine animals and swine

1998/0194(CNS) - 02/06/1998 - Legislative proposal

OBJECTIVE: adoption of a reasonable time limit for transposition of the new rules on monitoring and surveillance of bovine tuberculosis, bovine brucellosis and enzootic bovine leukosis. SUBSTANCE: Directive 97/12/EC lays down particular requirements with regard to the updating of criteria for defining the health status of animal populations at herd, region and Member State level as regards bovine tuberculosis, bovine brucellosis and enzootic bovine leukosis. On the basis of a proposal submitted to the Council before July 1997, these criteria should be updated by 01/01/1998. As the changes entailed by the updating of monitoring and surveillance programmes cannot be implemented in the field at short notice, it is proposed that the provisions of Directive 97/12/EC concerning the period within which Member States must transpose and introduce new rules for disease monitoring and surveillance should be amended.

Health problems affecting intra-Community trade in bovine animals and swine

1998/0194(CNS) - 14/12/1998 - Final act

OBJECTIVE: to amend Directive 97/12/EC, particularly with regard to the deadline granted to the Member States for transposing the provisions and introducing new rules concerning the control and supervision of diseases. COMMUNITY MEASURE: Council Directive 98/99/EC amending Directive 97 /12/EC amending and updating Directive 64/432/EEC on health problems affecting intra-Community trade in bovine animals and swine. CONTENTS: the amendment seeks to delay the time limit by which Member States must comply with the new Annexes to Directive 64/432/EEC by one year (currently 1 July 1998 according to Directive 97/12/EC). It should be noted that the Commission based its proposal on Articles 43 and 100 A of the Treaty (co-decision), while the Council only referred to Article 43. The Commission confirmed its reservation with regard to the change made to the legal basis during negotiations when the measure was adopted. ENTRY INTO FORCE: 31 December 1998 DEADLINE FOR TRANSPOSITION: 1 July 1999 and 1 January 1999 depending on the provisions.
