The Euro as a parallel currency

1998/2135(INI) - 15/12/1998 - Text adopted by Parliament, single reading

The Resolution, which concerns the use of the Euro as a parallel currency in non-participating states (the UK, Sweden, Denmark and Greece), was approved without debate. The Resolution, drafted by Mr. STEVENS (UK, PPE) also expresses support for the countries concerned to sign up to the Euro as soon as possible.
