EC/Malta relations: financial and technical cooperation, 4th protocol, extension

1999/0005(AVC) - 10/03/1999 - Text adopted by Parliament, 1st reading/single reading

Under assent procedure without report, the European Parliament gave its assent to the proposal for a Council decision concerning the conclusion of a protocol on the extension of the period during which the funds laid down in the 4th protocol on financial and technical cooperation between the European Community and the Republic of Malta may be committed.

EC/Malta relations: financial and technical cooperation, 4th protocol, extension

1999/0005(AVC) - 14/01/1999 - Legislative proposal

PURPOSE : to extend until 31.12.1999 the period during which the funds available under the IVth EC-Malta Financial Protocol can be committed. CONTENT : the period during which the available funds under the protocol currently linking the Community and Malta can be committed expires on 31.10.1998. Not all the funds available (45 MEUR) were committed by that date. The purpose of this proposal is to extend until 31.12.1999 the period in question in order to enable the Community to fulfill its financial commitments with respect to Malta and to contribute to closer relations between the island and the Community.

1999/0005(AVC) - 30/03/1999 - Final act

PURPOSE: to extend until 31/12/1999 the period during which the funds laid down in the Fourth Protocol on financial and technical cooperation between the European Community and the Republic of Malta may be committed. COMMUNITY MEASURE: Council decision 1999/259/EC. CONTENT: the period during which the funds available under the financial protocol between the Community and Malta can currently be committed until 31/10/1998. These funds (EURO 45 million) could not be committed before this date. The decision therefore extends the period for commitment of the funds until 31/12/1999 in order to allow the Community to fulfil its financial commitments as regards Malta. ENTRY INTO FORCE: the decision enters into force on 16/04/1999, while the protocol enters into force on 03/03/1999.
