Supplementary and amending budget 2/1999: section II Council

1999/2081(BUD) - 23/07/1999 - Budgetary text adopted by Parliament

Adopting the report by Terence Wynn (PSE,UK), the Parliament recalled that operational expenditure in respect of PESC is recorded in sub-section B8 of section 3. It specified that the 11 new permanent or temporary jobs proposed following the nomination of the Secretary General/High representative are purely a matter of administrative expenditure. As no amendments were made to the draft budget, the Parliament considered that the corrected draft budget had been adopted.

1999/2081(BUD) - 21/06/1999 - Council draft budget

On 21.06.1999, the Council adopted the draft supplementary and amending budget 2/99 that concerns it, and confirmed the creation of 11 posts with respect to the High Representative for the CFSP. The creation of these posts does not require any budgetary modification. For this reason, both the expenditure and the revenue sides of the budget remain unchanged.
