Reliefs from duty: beer imports into Finland, temporary derogation (amend. Regulation (EEC) No 918/83)

2000/0039(CNS) - 14/06/2000 - Text adopted by Parliament, 1st reading/single reading

In its first reading, the European Parliament adopted the resolution drafted by Astrid LULLING (EPP/ED, Luxembourg) amending the proposal on a temporary derogation for duty free imports of beer into Finland. Whilst no substantial amendments were made to the proposal, an addition to the recitals stated that Finland has fiscal sovereignty to apply excise taxes at a level it deems most appropriate. Whilst the provisions of this proposal do not affect that status, Finland may decide that a reduction of excise differentials with other Member States could help prevent an otherwise likely increase in cross-border shopping levels as the current restrictions on intra-EU personal imports are eased.

2000/0039(CNS) - 23/02/2000 - Legislative proposal

PURPOSE : to amend Regulation 918/83/EEC as regards a temporary derogation for duty-free imports of beer into Finland. CONTENT : Finland has requested to be able to benefit from a derogation from the values set out in Regulation 918/83/EEC and has asked to apply a quantitative limitation for duty-free beer imports from third countries. Therefore, it is proposed to authorise Finland until 31/12/2005 to apply a quantitative limit of not less than 6 litres for duty-free imports of beer.
